

InLocation-Consulting

Sales & Marketing

Our mission: Germany-wide distribution of PCB technology

Our client: Developer and manufacturer of highly complex, semi-flexible and fully flexible multilayer boards based on state-of-the-art manufacturing and test procedures and national / international certificates

Product: PCB high technology, for the most complex applications, systems and devices

Industries: Defense / Aerospace / Medical Systems / Controls / Industry Systems

Product overview

Rigid

Printed Circuit Boards

Printed Wire Boards

Multilayer

Multilayer Boards 42 Layer

Multi Flex

Rigid Flex

Printed Circuit Boards

high technology, one-stop solution provider from the early development phase until the finished product

Core business

Development and production of highly complex, semi-flexible and fully flexible multilayer boards according to the latest manufacturing and test procedures and national / international industry certificates

Founded early 1980s

Over 23,000m² production area

Approx 800 Employees

Annual sales in the three-digit million \$ range

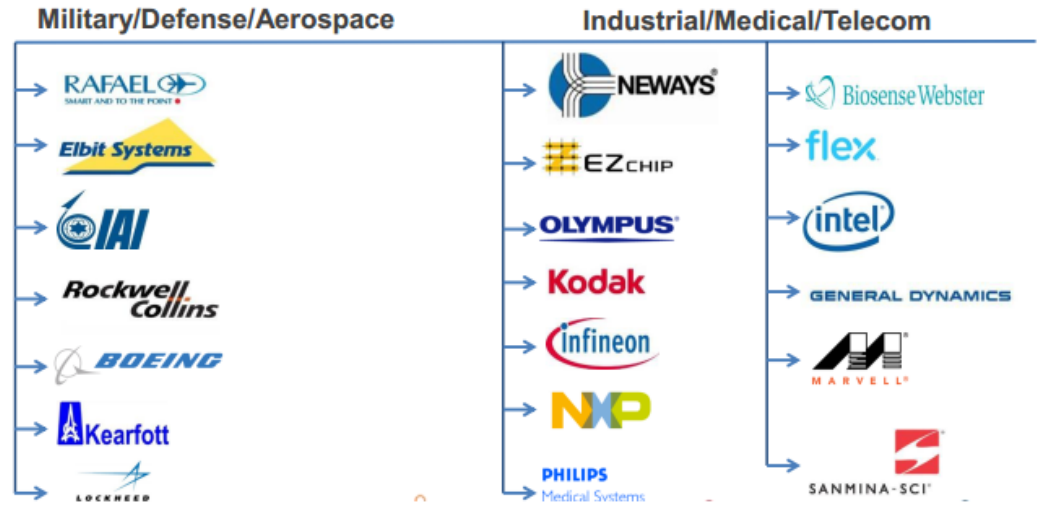

Shipping terms

Order from 5 days (Express)

Delivery normal 15 - 30 working days (depending printed circuit boards)

Prestige Customer Base

Technologies

addressing the most complex design requirements

Multilayer Flex Rigid

RF / Microwave

Heat Dissipation

Multi Flex

Carbon Printing
